### Wills & Bequests

A growing number of people seek to leave a gift in their will as a legacy to help future generations.

Bequests to the Bendigo Health Foundation will help to develop health services for the people of the Loddon Mallee region of Victoria.

### What can I give?

We always recommend that you first discuss leaving a bequest with your family and solicitor so your intentions are clear.

You can bequeath cash, property, shares, jewellery or other goods.

Simply include the following wording in your will:

I bequeath the sum of \$..... and/or ..... per centum of my residual estate to the Bendigo Health Foundation to be used for\* its purposes as a public hospital, for which the receipt of the Chief Financial Officer or other authorised officer shall be sufficient discharge to my Executor for the bequest.
