

Take up the corporate challenge now!

Grab your workmates, register your team and be in the running for free marketing exposure, while you raise money for a great cause....

Take up the challenge now and raise funds to help our smallest patients in the 'Sanctuary for kid's' appeal for the Special Care Baby Unit at Bendigo Health.

Register as a team in this year's Bendigo Bank Fun Run 2011 and if your workplace team is the highest fundraiser in any one week, it will feature in the Bendigo Advertiser Fun Run promotion.

You must pre-register your team by September 1 at www.bhfoundation.org.au, to be in the running.

Each week, the Bendigo Advertiser will update the corporate challenge. The workplace team with the most funds raised to date will be profiled, including company logo and a short profile.

Great marketing and promotional exposure, all at no charge to you!

After September 1, until the event on October 30, the fundraising will continue with the Bendigo Health Foundation Corporate Cup awarded on the day to the team with the most funds raised overall. Media exposure will also be given to the winning team.

You can also have the chance to promote your workplace by offering giveaways or vouchers in our showbags which will be given to the first 2000 participants registered.

The race begins – online!

Register your team now! Visit our website and click on 'start fundraising today'. You can accept sponsorship donations and post photos and fundraising tips. It's simple and easy to set up.

Let's keep in touch - We'll send you a **fun run e-newsletter** sharing the latest news, fundraising efforts and stories, in the lead up to the event. Sign up for your newsletter at: www.bhfoundation.org.au and look out for the fun run features each week in the Bendigo Advertiser.

Register online at www.bhfoundation.org.au

Pre-registrations must be received by September 1, 2011
